## PROMARKER 400 - The Professional Choice

When a tough, all purpose measuring wheel is needed, nothing fills the order like the RolaTape ProMarker™ 400. Its 4-foot circumference handles the toughest measuring and marking needs for heavy construction, large commercial operations, utility companies, land surveying and other critical measuring applications. When measuring and marking demands are tough, the 400PM gets the job done.

FEATURES	BENEFITS
• All steel construction	Heavy-duty strength and durability
• 5-digit steel counter	Records up to 100,000 feet or meters with convenient reset knob
• 4-foot circumference wheel	Easier to measure accurately on rough terrain
• Stand	Keeps wheel upright when not in use
• Wheel brake	Transport
• Marking Wand	Mark as you measure
