### Reduce Labor Costs - Multiple Uses - Save Time

Have you ever needed Help measuring?? >>

<<Have you ever needed help snapping a chalk line ??

Have you ever got to the middle of a lot and you realized you forgot something ??  
(Tape measure-Chalk line)

### Big Foot Can Help !!

It weighs 25 lbs., Has a rubber neoprene base, with a hook/snap for fastening anything. It also has a hook/snap on the threaded rod so you can swing perfect circles!! With the optional Bracket you can hold large reels and chalk lines etc. If the surface is clean, you can stretch a small chain, string line, or a chalk line over 300 feet!! It comes un-painted or bright orange ( never lose it or the equipment hanging on the bracket ).

### No Hammers-No Nails-No Band-Aids

You don't need two people to snap chalk lines, measure parking lots, play grounds, running tracks, etc.

You can even use 2 Big Feet to paint 3 double row lines at one time!!  
If you have a helper working with you he can snap all the lines while you get busy painting!!

### This tool will save you labor costs!!

It is like having a \$10.00 hour laborer on the job with you, **pay him only once** and use him for the rest of your life!!
