

"When Quality Matters"

STRIPE TRAFFIC MARKER

Water base Spray Paint!!!

General Description:

The original water base formulation for line striping. Engineered to be used in the Z-604 Traffic Machine for quick and easy application on concrete, blacktop and most other surfaces.

Suggested Uses:

- Parking Lots
- Warehouses
- Tennis Courts
- Playgrounds
- Factories
- Landing Strips
- Basketball Courts
- Athletic Fields

Benefits:

- Makes 2-4" wide stripes
- Traffic ready in 60 minutes
- Sharp, well defined lines
- Good hide with one application
- One can will stripe approximately 250 linear feet.
- V.O.C. Compliant

Additional Information:

Freshly paved surfaces must dry adequately before striping, however, a second application may be necessary. For use over stencils or for marking curbs, it can be actuated by hand or by using the Traffic Marking Wand (#Z-608).

Compatible with most American made marking machines currently on the market.
